

GENERAL INFORMATION

Course Description:

This course will prepare the dental hygienist to become competent in the administration of both block and infiltration local anesthesia. Emphasis is placed on the mechanisms of pain and a thorough understanding of the pharmacology of dental drugs and their interactions with the client's current conditions and medications. The course consists of a minimum of 6 weeks of self-study prior to the 3-day workshop. Examination of didactic material will occur on the first day of the workshop following a review of didactic materials. The 2nd and 3rd days of the workshop will consist of the clinical administration of anesthesia on each other. This course is recognized by the following provincial licensing authorities: BC, AB, SK, MB.

Duration: Minimum 6 weeks self-study
24 hours course attendance
(Friday, Saturday, Sunday)

Course Requirements:

Participants must be graduates of an accredited Dental Hygiene Program and hold current licensure in their province or state of residence. Participants must also hold a current certification in CPR (Basic Rescuer Level), and hold current malpractice insurance.

Proof of all the above credentials must accompany the registration form.

Required Armamentarium:

Lab Coat
1 Self-aspirating Anesthetic Syringe
1 Hemostat
Personal Safety Glasses

Required Textbooks:

1. Pain Management Study Guide (Salme Lavigne)
 2. Handbook of Local Anesthesia (5th Ed.)(Stanley Malamed)
- * Both are available at the University of Manitoba, Health Sciences bookstore (Brodie Centre) 727 McDermot Avenue. (Open Monday to Friday From 9:00-5:00 pm and Saturday from 12:00-4:00pm).
Tel: (204) 789-3601
Fax: (204) 789-3901
E-mail: medbookstore@umanitoba.ca

Medical History:

A medical history needs to be completed as all participants will be required to sit as clients for each other during labs. If contraindicating medical conditions exist, you will be required to make alternate arrangements.

Registration Information:

Workshop Fee: \$925.00 (payable to the University of Manitoba). Payment in full must accompany registration form.

Registration: Full amount due by September 25, 2009.

After registration, if withdrawal from the workshop becomes necessary, a \$200.00 deposit will be retained by the School of Dental Hygiene and \$725.00 will be returned.

◆

Course Coordinator:

Prof. Salme Lavigne, RDH, MS(DH)

Prof. Salme Lavigne is an associate professor and the Director of the School of Dental Hygiene at the Faculty of Dentistry, University of Manitoba. In addition to a Master of Science in Dental Hygiene degree from the University of Missouri - Kansas City, School of Dentistry, Prof. Lavigne has earned advanced certificates in periodontal therapy, local anesthesia, and nitrous oxide administration. She has authored numerous journal articles, as well as three textbook chapters, including the "Assessment" chapter in the recently published Nonsurgical Periodontal Therapy by Kathleen Hodges. Salme has been actively involved in the development and teaching of local anesthesia courses in both Kansas and Manitoba for the past seventeen years.

Workshop Faculty:

Diane Girardin, RDH, Course Facilitator
Lorraine Glassford, RDH, Instructor
Alayna Gelley, RDH, Instructor
Lila Jorheim-MacInnes, RDH, Instructor

Comments from Previous Participants

"This was a positive and enjoyable learning experience. Good instruction!"

"It was great to be part of this course. Many thanks for your input and all the knowledge you shared with me."

"I think you have a great program here... yours is one to be modelled from. Truly an awesome group of professionals."

"Excellent course....You have instilled knowledge and confidence. It has been a privilege to have met and worked with everyone!"
